First Methodist Early Service Discontinued

At a recent meeting of the Official Board of the First Methodist Church of Torrance, it was voted to discontinue the 9 a. m. service which has been held each Sunday since last Mother's Day.

It was decided that the effort of the minister and choir should be concentrated on the main morning service, which hereafter shall begin at 10:50 a. m.

According to Rev. Clarence E. Miller, pastor of the church, this early service was started to relieve the over crowded condition at the regular morning service. However, since that time new pews have been ordered which will increase the seating capacity of the sanctuary to a considerable degree. These pews will be installed the first part of November, according to present plans.

Beginning Sunday, the schedule of services of the First Methodist Church will be as follows: Church School for all ages of children, youth and adults will begin at 9:30 a. m.; The Morning Worship service will begin at 10:50 a. m. Rev. Miller will preach on the theme: "The Conversion of St. Paul," in the continuation of a series of sermons on the Early Christian Church. Special music will be rendered by the choir under the direction of Vernon Robinson, Minister of Music.

The Methodist Youth Fellowship will meet in the evening at 7 p. m.

United Nations Day Observed By Church

The morning Church service this Sunday will be an observance of United Nations Day in the First Christian Church at 10:50.

Rev. Cecil J. England will preach on the theme, "Stick Together or Hang Together."

Cooperating Churches across the United States are keeping this general theme in their services of worship. The Federal Council of Churches is cooperating with the program "Crusade For Freedom" which is coming into every community in America. This Sunday there will be an opportunity for people to sign the Freedom Scroll.

The Fellowship Forum Club will present Prof. K. Bergel of Chapman College Sunday night at 7:30 in the Church. He will discuss "The Church's Political Responsibility."

The public is cordially invited. He will include some discussion on the November Propositions to appear on the State Ballot.

Church Council Continues With Religious Census

The Torrance Council of Churches will continue the taking of a Community-wide Religious Census this Sunday afternoon.

The District to be covered will be in the Strip; Sepulveda on the South, Western Ave. on the West,
