

### California Sets Fine Record in Freedom Crusade

Southern California established the outstanding records in the nation during the recent Freedom campaign, the national headquarters reports.

Southern California alone created 4.3 per cent of the signatures and 7.4 per cent of the contributions.

California's share of the national total of 15,507,877 signatures was 1,258,867.

General Ira C. Eaker, state chairman, said signatures and contributions still are coming in and that some contributions have not yet reached the central depository to be recorded.

Climax of the crusade was United Nations day, last Oct. 24, when nearly a half million Berliners gathered to witness dedication of the huge Freedom Bell in the German capital. A million signatures were engraved in the bell. The remainder will go into the bell structure in special ceremonies next year.

Tones of the Freedom Bell now are being heard 15 times a day as station breaks between foreign language broadcasts of Radio Free Europe.

The contributions from millions of Americans met the cost of erecting the bell and help pay the way of the radio broadcasts that are designed to bear the truth beyond the iron curtain.

### Two Industries to Relocate in Centinela Valley

New industries and expansion programs during November—the best month since July, 1949—boosted manufacturing growth in Los Angeles for the first 11 months of this year above the total for all of 1949, the Los Angeles Chamber of Commerce announces. Among the new industries here is the Zero Plywood Company, now at 3405 East Pico boulevard, which will relocate soon in larger quarters in the Airport Industrial tract at Century and Anza boulevard, just west of Lennox.

The Collins Engineering Company of 9054 West Washington boulevard is building a new warehouse at 1651 West Florence avenue. The firm manufactures aircraft parts.

**DANCE SHOW SLATED AT WASHINGTON HIGH**  
"A Dance Show," produced by the George Washington high school modern dance classes, directed by Mrs. Genevieve Baker, and sponsored by the girls physical education department, will be presented in matinee performances Jan. 10 and 12 at 1:15 p.m. and in an evening show Jan. 11 at 8 o'clock.

If you drink, don't drive—if you drive, don't drink!
