Okay on Bonus Given by Board

The Regional Wage Stabilization Board announced today that employers may pay any of their employes, without Board approval, a 1951 Christmas bonus up to \$40 in value even though a lesser bonus, or no bonus was paid last year.

Arthur M. Ross, chairman, said that employers who paid Christmas or year-end bonuses last year greater than \$40 in value may pay the same bonus in 1951, subject to the provisions of General Wage Regulation 14, the bonus order.

Payment of both types of bonuses was authorized by Amendment 2, which the National Board recently passed to liberalize the regulation.
