

El Camino college Alumni association members will be admitted to the school's annual Sweetheart's Ball at half price according to the information received from student government representatives.

The ball will be in the Campus Center building Friday, February 15, starting at 9 p.m. and will feature a Valentine's day theme. Regular admission to the dance is \$3.00 per couple.

**POWER POINTER** Kite flying is fun—when you play it safe!

Kite flying is great sport—and has been since days of ancient peoples. It is one of the few sports that has come down through the centuries virtually unchanged. The world has changed some, though—so these days there are some new rules to remember when you fly your kites. Play it safe, and follow the four rules:

1. Fly kites in an open field, away from electric power lines and other overhead obstructions.
2. Be sure the string is perfectly dry.
3. Never use wire, tinsel or metallic string.
4. If the kite catches in a power line, let go immediately. Don't pull! Phone the company owning the line and a lineman will get your kite for you.
