gram here.

Jack White, of North Torrance who has been active in community affairs there.

Bob Haggard, mayor, who is making a try for a second term.

George Downing, defeated twice before but trying again.

The only other office seeker on the April 8 ballot is Harriett V. Leech, city treasurer named to the post vacated by Mrs. Margaret Fordice. She previously had served as treasurer.

Biographical sketches of members of the "BID" ticket previously have been published by the Torrance Press, but in fairness to all candidates, we publish such sketches of the others.

MARVIN M. SCHWAB
Marvin Schwab, running for the City Council for the first time, said that he felt it his duty to take part in civic government.

"I have no axes to grind," said Schwab. He is a past president of the Torrance Council of churches and has been active in boys work as a member of the Rotary Club. He came to Torrance from Ohio, four years ago, and was a member of the School Board there. He informed the Press that he is a foreman in the glass department at American Radiator and Standard Sanitary.

COUNCILMAN ED KARLOW
Ed Karlow is a charter member of the Junior Chamber of Commerce. He is an assistant division credit manager at National Supply. Karlow is an honor-student graduate from Glendale High.

JACK WHITE
Jack White is a tooling liaison engineer at Hughes aircraft. He was born in Kansas and has lived in Torrance for the past five years. White is also President of the North Torrance Civic and Improvement Association.

MAYOR BOB HAGGARD
I have lived in the City of Torrance for the past 10 years. All but the first few months have been in business for myself, served for four years on the Planning Commission (Torrance) and was elected to the City Council in April, 1948.

The reason I have filed for the City Council for the April election is that we have a community free of racketeering and gambling at the present time and if elected at the April Election, I will continue to fight for the rights of every Citizen of Torrance. My record as a city councilman is a matter of public record and available to the voters of this city.

(Signed) **BOB L. HAGGARD**
GEORGE DOWNING
George Downing works in the time department at National Supply. He has lived in Torrance for the past six years. Downing holds seniority as a member of the Civil Service Commission. In putting his hat in the ring, he is testing a city ordinance which forbids Commission members to run for public office. Downing contends the ordinance is unconstitutional. He is also a member of the Moose Lodge.

CITY TREASURER LEECH
Mrs. Harriett V. Leech is the only candidate running for City Treasurer. She has been a resident of Torrance for the past 27 years and is now filling out an unexpired term for the same office.

Spanish-American Fiesta, Tomorrow
A Spanish-American Fiesta will be held at the First Methodist Church at 6 p.m., tomorrow evening. It was announced today. The Girls World Friendship Group is sponsoring the dinner and program.

Included is a speaker from the Frances De Pauw School for girls. Miss Marilyn Mosier will tell of her training for the service.

Also slated for the program are musical numbers by Harold Holmek, Mary Lou Hutchison, and Yolanda Goldsmith.

Tickets are now on sale—75 cents for adults and 50 cents for children. It was pointed out that some of this money will go toward the summer camp fund. The public is invited.
