Drale Praised ForActAgainst Park Drinking Total cost of the three traffic

Councilman Nick Drale has been commended by the citizens League for Liquor Law Enforcement for his stand against drinking in public parks or public buildings of Torrance.

Otis L. Linns, of Palo Alto, president of the league, wrote to Drale commending his stand against a move to permit drinking "by special permission of the City Manager" in city parks and buildings.

Councilman Drale's opposition to the "special permit" move brought the issue to public attention and forced abandonment by the other four members of the City Council, Bob Haggard, Ed Karlow, Willys Blount and Harvey Spelman, of their own plan to allow drinking in public parks and public buildings of Torrance.

Drale had the solid backing of the clergy and groups on his stand.

Operation to Start Soon

Operations are due to start in about two weeks on the huge dump west of Crenshaw bouleyard, south of the city boundary

DRALE PLEATO BLOCK MBLNGSHUNNED

THIRD YEAR

The Torrance Press, in its edition of last week, had the privilege of reporting to the people the published plat-form of the "BID for Better Government" ticket, on the City Council ballot of April 8.

The three "BID" candidates, Victor E. Benstead, Albert Isen and Councilman Nick Drale, have teamed up on a platform which we believe should have the support of

lished again for the enlightment of the people, and that dra Park and El Camino College to Torrance, as a prothe voters might know that here we have a ticket of candidates who WANT TO DO SOMETHING for the people. Therefore, we repeat this platform:

WHAT THE 'BID' TICKET STANDS FOR 1-Good, progressive government for all of Torrance.

2—Lower taxes. 3-A well-rounded park and recreation program, financed by the existing city sales tax.

4-More industry for Torrance. 5-Development of the finest business district in the County.

6-Removal of the City Dump to a point away from habitation. 7-Annexation of Alondra Park and El Camino Col-

lege, with adjacent territory to Torrance. 8-Attention to the public service needs of ALL the 9-Economy in government.

10-Improved bus service for all of Torrance and

11—Efficiency in government 12-Open meetings to the public.

13-Equal benefits for all outlying areas as well as central Torrance.

14-More police and fire protection for all of Tor-15-Free public off-street parking.

16-Unbiased treatment of all petitioners under the Land Use Ordinance.

WHAT THEY DO NOT WANT

The BID ticket candidates have agreed as follows: 1—They do not want gambling in Torrance, any kind of gambling.

-They do not want parking meters in Torrance. 3-They do not want nuisance taxes such as the garbage and trash collection tax proposed by the "ruling four" on the City Council.

4-They do not want government for the few. 5-They do not want special favors granted local cliques.

6-They do not want waste and inefficiency in government.

7-They do not want closed and secret meetings of the City Council and commissions. 8-They do not want the City Sales tax unless used

for recreation. 9-They do not want punch boards and marble games returned to Torrance

10-They do not want open sumps and dumps.

'BID" Candidates **Ask Advisory Group**

To give citizens residing in the new home sections rapidly springing up throughout the 19 spuare miles of elections: Torrance a more direct voice in the affairs of the City Government, candidates for the City Council on the "BID for Better Government" ticket Victor E. Wide entrance and exit driveways circle the massive glass showcases displaying a wide variety of milk, cheese, butter, ice cream, and other dairy items.

Donations Campaign

Voluntary contributions to the fund to finance the campaign for election to the City Council of Victor E. Benstead, Albert Isen and Councilman Nick Drale-known as the "BID for Better Government Ticket"-are coming in from throughout the city, according to Al Gianni, treasurer of Torrance Unified Taxpayers, Inc.

"It's remarkable how many citizens are sending donations to help the campaign," Gianni said, "Obviously, it is a demonstration that the residents of Torrance think it is time for a change in city administration, and that they want to make the "BID" ticket the people's ticket."

Gianni suggested that those desiring to contribute to the campaign send them to him, as treasurer, at 2131 W. 182nd

Location Near Present Area Suggested

a new city dump have been selected by City Manager George Stevens, and steps will be taken at once to acquire one, according to Councilman Nick Drale, who has been the sole advocate on the City Council of immediate closing of the present dump near hundreds of homes at Western avenue and Plaza del Amo.

Drale's fight in support of resdents of the Kettler area, urgng closing of the city dump beause it is a health menace, appeared to be reaching a climax with the submission of Stevens' report to the City Council.

The attitude of other members of the council regarding their promise to close the dump within a year" (now about up) ould not immediately be determined. One "friend" of the present dump within a few feet of hundreds of homes is the councilman who called those demanding that the dump be closed "bellyachers." He is Councilman W.

W. Blount. While admitting that his suggestion for use of the area must be "ruled out," Stevens submitted the proposal that the 5 to 10 acre site at Border avenue and Plaza del Amo "would have been ing four" on the City Council.

OTHERS RULED OUT Stevens submitted three other sites which he said "must be ruled out at this time." They include the 20-acre brick pit southwest of 174th street and Arlington avenue, zoned A-1 which he said would be good for 10 to 15 years. It has homes nearby, how-

Drale Asks Caution Light

Councilman Nick Drale proposed at Tuesday's council meeting that action be taken to erect a caution signal at 101 highway and Roberts Road in the Seaside

He asked city attorney J. Hall what action could be taken by the city to eliminate the hazard on this state road and what t state could and would do in the event that Torrance installed the caution signal.

Hall replied that Torrance had the lake, swimming pool, golf announce the grand opening of no jurisdiction on the highway course and eventually a four- the new Crest Furniture store at and that he didn't know what 1413 Cravens avenue tomorrow would result if Torrance install-

Councilman H. Spelman recommended that a committee of himself, E. Karlow, and John Stroh be established to study the traffic conditions in that area.

At this point, Drale suggested that the Torrance Traffic Com-(Continued on Page Three)
