

Elizabeth Klem, Thomas Burchfield Repeat Vows

Tall candles and white spring flowers graced the altar of the First Methodist Church Friday evening when Elizabeth Ann Klem and Thomas Joseph Burchfield were joined in matrimony in one of the loveliest ceremonies of this season. The nuptials were performed by Rev. Roger Sawyer.

The bride, daughter of Mr. and Mrs. D. Shannon of Hermosa Beach, chose a brocaded white

satin gown of princess style with full train. Her veil was fingertip length of illusion net. She

Mr. and Mrs. Thomas Burchfield —Photo by Dixie Lee Studio

carried a bouquet of lilies of the valley and iris, with an orchid center. She was given in marriage by her father, Joseph Klem of Chicago.

The maid of honor, Emily Burchfield, sister of the groom, was attired in green organdy, and carried a bouquet of pink daisies and sweet peas. Bridesmaids Mary Lee Higgins and Barbara Coleman wore yellow and orchid organdie gowns and carried lavender sweet peas and pink daisies.

The tiny flower girl, Nina Lee Caster was clad in blue organdie. Her bouquet was of lavender sweet peas.

Bill Wernett served as best man, and John Hill and Howard Intermill seated the guests.

The groom is the son of Mr. and Mrs. J. R. Burchfield of 2030 Martina Ave.

The bride's mother wore a formal gown of beige with brown accessories. Mrs. Burchfield was attired in a navy blue formal with pink accessories.

After the reception at the church, the couple left for a two-week honeymoon at Lake Tahoe. A navy blue suit with white accessories was the bride's going away ensemble.

Both newly-weds are graduates of Torrance High School. The groom is employed by his father at Burchfield Carpet Works. The bride is an employee of Airesearch, Inc. The couple will reside in Torrance.

Art Exhibit

An exhibit of facilities and projects of the arts, sciences, and industrial classes at El Camino college will be open to the public May 16, 17, and 18. Dr. William Harless, director of instruction, has announced.

218 TEACHERS ADDED TO SCHOOL ROSTER

(Continued from Page One) \$339,000 will be assigned to the building of the school on 235th, known as the Howard Wood School.

PURCHASES SITE In addition to this, the Board has planned in advance for school sites and has purchased sites at low cost per acre, saving the taxpayer thousands of dollars and now has ready at hand six new sites for schools to be built upon, as fast as the planning can be done and the buildings are needed.

The Board has succeeded in obtaining \$152,000 of Federal aid and has applications in for additional funds for operating expenses for this year, which will no doubt bring at least 5% of that amount to the district. In addition to that, the Board has made application and received an estimated entitlement of \$2,000,000 from the Federal government for financing additional schools and classrooms in the district.

The first project which has been earmarked in the amount of \$339,000 will be assigned to the building of the school on 235th, known as the Howard Wood School.

We all had ideas that it would be a big job, and that the town was going to grope, but none of us knew how fast the growth would take place, nor do we know how big the tremendous task is that we have ahead of us.

With the opening of Madrona School 329 children were taken off of double session, and with the opening of Riviera School, 250 more will be taken off double session, so that there will be only a few classes of double session in Torrance schools. The Board has been able, with the help of the people at bond elections, to keep up with the rapidly increasing need for school housing.

The people of Torrance, over this 5 year period, in which we were establishing our own school system, have generously supported the schools with a 50c override tax the first year and three bond issues—one of \$1,322,000, another of \$2,000,000 and a third one of \$3,000,000, which

Finch Given

(Continued from Page One) didacy is the result of the findings of the district-wide fact-finding committee. Members of the 68th GOP Assembly feel that Finch is the only qualified Republican name on the ballot and we urge voters to get behind his campaign. This district needs a new Congressman who will insure the people of proper representation in Washington." Finch, an Inglewood attorney, is currently on active duty as an officer with the Marine Corps and will not be released from active service until after the primary election.
