

PLEASE MAKE MY DADDY WELL

"Mom says he is not in Korea any more. So I thought he would come home to us. But now Mom says he is in a Navy hospital and he needs blood to get well. I wanted to help, but they can't take my blood till I am 18. Please give my Dad some blood so he will come home to us soon."

Our Armed Forces require 300,000 pints of blood every month to save the lives of wounded men in hospitals in Korea, Japan and the U. S., and to rebuild reserves that could be wiped out in a single national disaster. The need has never been greater. Make your appointment for a blood donation today. And keep it for the sake of thousands of men whose lives still depend upon you.

CALL YOUR RED CROSS TODAY!

WHAT HAPPENED TO THAT PINT OF BLOOD YOU WERE GOING TO GIVE?

Contributed As a Public Service to the Armed Forces Blood Donor Program
