"34,000 wonderful miles in six hard months"

A. E. Hoffman, San Lorenzo, Calif., writes, "My Nash Rambler Station Wagon covered 34,000 miles in six hard months, averaging better than 25 miles to the gallon, carrying loads up to 750 pounds all over my territory."

It's a real double-duty beauty, this Nash Rambler Station Wagon—a luxury family sedan, designed especially for today's crowded traffic conditions. At the drop of a seat, it instantly converts to a heavy duty all-steel station wagon with a 6½-foot platform that easily hauls man-size loads.

Wives think it's wonderful, too—so handy for shopping—so easy to steer and park—plus the smartest custom tailoring. Economy? The Nash Rambler holds the all-time record in the Mobilgas Run with 31.05 miles per gallon!

See our beautiful Rambler display. Choose the model you want, convertibles, hardtop sedans, station wagons—all completely custom equipped—even radio and Weather Eye at no extra cost. Come in today or phone us—you don't have to buy—just try!
