

Take his other arm—Now!

Do you want him to die for your way of life... or LIVE for it? Only you can decide. Industry can arm him against the enemy, clothe him against the cold, but once he's hit, only YOU can save his life. So open up your heart... bring him back alive by giving the greatest of all gifts... your blood.

YOUR ARMED FORCES ARE SHORT 300,000 PINTS OF BLOOD A MONTH
A shortage that may cost us thousands upon thousands of American lives. With your blood, 97 out of every 100 wounded who reach the most forward hospitals are saved. We know you're going to give blood. We ask that you give it NOW. The blood you give today saves some GI's life tomorrow.
