Public Fireworks Display at Local Clubhouse, July 4

Powerful sky rockets, noisy aerial torpedoes and other fireworks will again be fired off the end of the Portuguese Bend Club pier on Fourth of July night as the Portuguese Bend Club presents its fourth annual Independence Day show for club members and the public.

The display, doubly effective since the fireworks are shot out over Catalina Channel, will begin at dark, about 8:30 p.m. Best grandstand for the show is the hills above the Portuguese Bend coastline.

Because the annual Portuguese Bend fireworks show draws large crowds from the Harbor, South Bay, Long Beach and Inglewood-Torrance-Lomita areas, sheriff's deputies advise arriving well before dark so that hillside vantage points can be picked before the show starts.

Walt Schaefer Appointed Special Insurance Agent

Walt Schaefer, long-time local resident and business man, was this week appointed as special agent of the Prudential Insurance Co. of America, the company disclosed. Schaefer will devote substantially all of his time to sales and service of ordinary, business, and group insurance in the Torrance area, the firm reported.

Temporarily he will work out of the Long Beach office. However, he plans to open his office locally in the near future, he said.

Schaefer has been active in local service and social organizations during his residency.

He is a member of the Torrance Lions Club, Sobada Club, and Nativity Holy Name Society.

Schaefer and his wife, Rose, and three sons, reside at 1806 Gramercy Ave.

Well known locally, Schaefer has been in the real estate and insurance business in Torrance for the past four years. Until recently he was a partner of Jim Lawson and Milt Ibell in the Liberty Home Economy Co.
