Torrance BAPTIST NEWS

REV. JOHNNY MORTON
A VACATION FROM GOD

Well, here it is, school's out at last. This is the time most ministers in California call the summer slump. There are so many places to go over the week-end and so many things they would like to do. They feel that God will excuse them for the summer, and they can go off and have a good time on their vacation from God. But wait a minute, God tells us to be ready at all times to give a reason for our hope.

Be instant in season and out of season.
