

### Postal Confab At Bay City This Weekend

Post Master General Jesse M. Donaldson will be honored at a banquet to be held in San Francisco this Saturday.

The banquet will climax a two-day seminar for California postal employees.

Local Post Master Mrs. Clara Conner announced this week that employees of the Torrance Post Office will attend the function.

Designed to acquaint post office personnel and executives with postal procedure, post masters, assistant post masters, supervisors, and inspectors have been invited to participate.

Mrs. Conner and Assistant Post Master Louis H. Deinger will represent Torrance at the confab. They will be accompanied to San Francisco by Bernice Murphy of the Wilmington post office, Ron Harvey of Lomita, Lillian Thorne of Palos Verdes, Mr. and Mrs. Robert Sleeth of Waiteria, and Edythe Burgett of El Segundo.

It is expected that over 1,200 postal employees will attend the function.

A bachelor girl is a woman who can walk gingerly across a white rug without thinking of a washing machine.

**SILVER BLAZE** — Two-week old palomino colt nuzzles owner Ken Bancroft. The little tyke's mother is Bancroft's pure palomino mare, Honey Quarter.

### Silver Blaze Name Of New Addition

Mr. and Mrs. Kenneth Bancroft have announced the latest addition to their family.

The Bancrofts disclosed that the mother is doing fine after the birth of her blond, brown-eyed offspring, which weighed close to 40 pounds the day she was born, August 3rd.

It's a horse, of course. Mother is Honey Quarter, the Bancroft's palomino mare. Father is from the S. Fald palomino ranch.

The blond filly has been named Honey's Silver Blaze, according to Bancroft.

Trouble is there are too many Democratic and Republican Senators and not enough United States Senators (Ed Ford, quoted by Earl Wilson).

*How to make good telephone service even better...*

You'll save time if you make a personal number list for the whole family

When you've a hurry-up call to make... or just for day-to-day convenience in making telephone calls... you'll find a list of the numbers you call most often can be a helpful aid to faster service. And because memory often plays tricks, you'll find your personal number list will help you to avoid calling wrong numbers, and save you time when you can't quite recall the number of a friend. If you'd like to keep your number list in a handy, personal directory, just call, send a postcard, or drop in to your nearest Pacific Telephone business office. We'll be glad to give you a free special number booklet.

*faster long distance service*

can be yours, if you give the operator the out-of-town number you're calling rather than just the name and address. That way, you won't have to wait while she gets the number from "Information" in the distant town. So, add out-of-town numbers to your personal list, too.
