

Food Supplement Distributorship Established Here

Mr. and Mrs. Roy G. Hall announce the opening of their office and store, located at 1408 Cravens Ave.

Hall stated that this store will be the distributing outlet for the entire Harbor Area, under his franchise for Keyamin Food Supplements. This product is a balance formula containing all the known elements of vitamins and minerals needed in human nutrition, Hall pointed out.

Keyamin is compounded and packaged by a well known laboratory in Burbank and will be marketed by exclusive dealer selling and delivering direct to the customer, he said.

Mr. and Mrs. Hall and their son, Roy Jr., recently moved to Southern California from Wisconsin. Roy Jr. will enter college here this month.

Police records show Neblett served a prison term in Nevada on conviction of transporting a stolen auto across a state line. He also has a record with juvenile authorities in Burbank.

Neblett said he was "just messing around," when asked why he was in this area. He also told Torrance police he was going to San Diego to seek work as a machinist.

Torrance BAPTIST NEWS

Isaiah 53:6, "All we like sheep have gone astray; we have turned everyone to his own way and the Lord hath laid on him the iniquities of us all."

"Notice all includes everyone, you, me, no matter who or what we are, one like lost sheep, we are lost from the great sheep fold of God."

This means we all need to be saved. We all need to accept the Lord Jesus, our Savior.
