Program Committee Sets Date of Joint PTA Meet

Plans for the coming school year were made by the program committee of Torrance Council P-TA at a meeting held recently in the WALTERIA home of Mrs. Evar Jansson, Council program chairman. Selected as the year's theme was "All One Family", it was reported.

Three open Council meetings, in which all units in the Torrance Council are expected to participate, were planned. These meetings will be held in September, February, and May, according to Mrs. John Hinds, press chairman.

The first of these open meetings is tentatively set for September 24. At that time a Council Workshop will be held following the business session. Council chairmen will hold separate meetings for the purpose of instructing unit chairmen in their various fields, Mrs. Hinds disclosed.

Present at the meeting were the following members of the Torrance Council: Mesdames Victor Benard, president; A. B. Cowie, junior past-president; Ralph McBee, first vice-president; Grover Van Deventer, music chairman; John Hinds, publicity chairman; and Evar Jansson, program chairman.

Dental Health Group Gets P-TA Check For \$1,411

The Torrance Dental Health Association was presented with a check for \$1,411.74 at a meeting held Friday, Sept. 5. Making presentation in the name of Torrance Council P-TA was Mrs. Ralph McBee, according to Mrs. John Hinds, press chairman for the P-TA.

The association originated at a meeting held in June of this year, at which time representatives from various service clubs in Torrance met with the P-TA, who spear-

headed the movement. Units in the Council pledged varying amounts during the year toward giving such a program its financial start.

The P-TA dental committee, who spent much time and effort organizing the association was comprised of four P-TA members: Mesdames A. B. Cowie, M. B. Miller, Victor Benard, and Ralph McBee, chairman; and two representatives of the Torrance Unified School District: Walter Rehwoald and Warren Hamilton.
