

New Health Bed Store Opens Here

Charles D. Davis, owner of the Health-O-Pedic Mattress Co., 520 North Pacific Coast Highway, Redondo Beach, expressed gratitude today over the cordial reception and welcome accorded him and his wife, Evelyn, during their grand opening sale last week-end.

He was particularly pleased by the reception and purchases of people in the Bay Area of the new Posturepedic orthopedic inner-spring mattress and box spring ensemble that was advertised in this newspaper.

Because of Health-O-Pedic's direct factory set-up and low overhead they are able to offer health mattresses and box springs at amazingly low prices, Davis said.

He states that orthopedic surgeons and physicians recommend extra firm orthopedic mattresses to persons who suffer from back aches, insomnia, sacroiliac pains, nervous fatigue and other back discomforts.

Davis promises that Health-O-Pedic will continue to offer excellent values to persons in the Bay Area.

He disclosed that the company is planning to open a chain of the stores throughout Southern California.
