

TV Star Sparks Three-Day Grand Opening Celebration

The three-day grand opening celebration of the Sav-Mart at 23401 S. Western Ave., will feature free orchids for the ladies, ice cream and balloons for the kiddies, and entertainment features for everyone, according to Charles Del Curto, owner-manager of the market.

TV Stars

Slated to begin today and extend thru Saturday, the opening affair will be sparked by the appearance on Saturday morning of Frank Herman, "Mr. Magic Himself," and his TV pals, "Julius the Wooden Wonder," Walter Wabbit, the only rabbit magician in the world, and Terry, the Far-Famed Talking Tune.

"Bozo" The Clown

"Bozo" the clown will be on hand to greet the children, and distribute the ice cream and balloons, Del Curto announced. An added thrill for the kiddies will be free rides on the Tinker Town Train. The gaily colored train will depart from Sav-Mart station on frequent trips thru the neighborhood on Friday afternoon from 2:00 p.m. until 8:00 p.m., it was reported.

There will be special sale prices and special opening events throughout the store, and 50 baskets of

groceries will be given away free to customers during the three-day affair, he said.

Del Curto, who, with his father, is the owner of two other Sav-Marts, became proprietor of the market on Sept. 1.

A veteran in the grocery business, Del Curto served as a second lieutenant during the war, and his family reside in Long Beach.

Meat, Produce Depts.
The meat department of the market is under the direction of

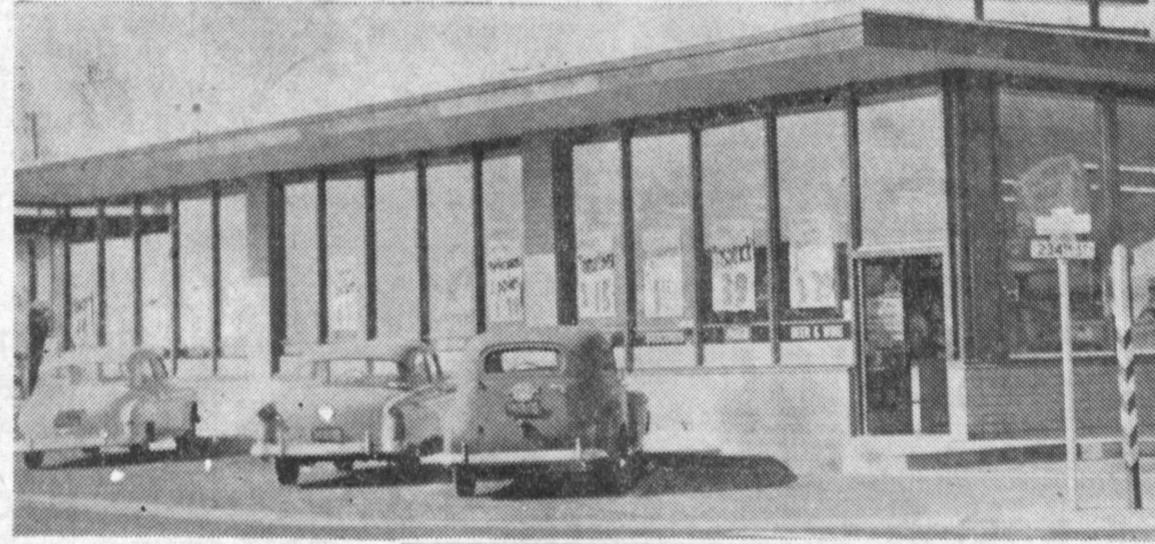

Lee and Ernie's Meats, operators of the same department in the other Sav-Marts. The expanded meat dept. features a complete line of top quality meats, Del Curto stated.

Frank L. Clark directs the produce section of the store. Clark has been with Sav-Mart for several years now, according to Del Curto.

In addition to a complete line of staple items and canned goods, the store also features delicatessen and frozen food sections.

SCENE OF Grand Opening slated for this week-end is the new Sav-Mart, 23401 S. Western Ave. Free orchids for the ladies, free ice cream and balloons for the kiddies will spark the event. Tinker Town train will be on the scene Friday, it was reported.

UM-M-M—Robert and Syble Moffitt smile gleefully as Bob prepares to consume first bite of cake as the couple celebrate their 25th wedding anniversary. Many friends were on hand to offer congratulations and share in festivities at the Moffitt home Sunday.

Potluck Dinner Planned by P-TA

Officials of the Torrance Elementary School P-TA met Tuesday at the home of Mrs. Hartley Carr, president.

Discussion of the fall program was on the agenda, it was said. Mrs. Carr urged all parents to save their papers for the P-TA paper drive slated for Sept. 30.

Another event scheduled for the immediate future is a pot luck dinner to be held next Thursday evening at 8:30 in Torrance Park. This will be a family affair, with a "Get Acquainted" theme, it was reported.

Friends Fete Bob and Syble Moffitt Here

Scores of friends were on hand to congratulate Bob and Syble Moffitt when they held open house to celebrate their 25th wedding anniversary.

Bob, who has been with the Torrance Fire Dept. for nine years, revealed that he and his wife eloped to Yuma, Ariz., 25 years ago.

Residents of this region for 14 years, they have lived at 2724 Arlington Ave. for the past four years.

Important persons at the affair included their year-old grandchild, John Robert Moffitt, and their two sons, Robin, 8, and John, who was accompanied by his wife, Donna.

A birth record not only proves you are an American citizen, but helps you establish certain inheritances and property rights, Dr. George M. Uhl, city health officer, said today.
