

Young Artist Wins Pony In Contest

Fourteen-year-old Herbie Case, son of Mr. and Mrs. Charles Case of 3764 W. 244th St., has added another pony to his extensive collection of prizes won in art contests.

Herbie was awarded the pony on the Horace Heidt TV Show Friday for winning an art competition sponsored by a milk company.

Inasmuch as Herbie already has a horse—Silver, which he rides to his ninth grade classes at Chadwick School—the new pony will be ridden by his sisters and brothers.

One of Herbie's many accomplishments was illustrating a booklet for the Walteria Elementary School. The booklet, designed to tell parents of beginning students about kindergarten classes, contained many Case drawings.

Besides the two horses, Herbie has won in various art contests a \$25 defense bond, a free vacation to Red Ryder's ranch and three bicycles.

THIRTY FEET—below the surface of the grounds of the General Petroleum's Torrance refinery, George E. Kanakoff, Los Angeles County Museum paleontologist, shovels out 250,000 year old fossils from a sand deposit of the ancient Palos Verdes Island. The fossils were found recently by a GP stillman.

Unemployed Vets Compensation

Recent veterans of the armed forces, who may be eligible to file claims for unemployment compensation under the Veterans' Readjustment Assistance Act of 1952 after October 14, today were urged to visit the local office of the California Department of Employment and register for work if they are not working.

Mrs. Winona Ellis, manager of the Torrance local office, which is to handle claims under Title IV of the act, covering payment of unemployment compensation, pointed out that several conditions must be met before veterans can become eligible for payments.

Hermosa Beach Celebrates 40th Anniversary

California Governor Earl Warren, U. S. Rep. Cecil R. King, County Supervisor Raymond V. Darby and Los Angeles Mayor Fletcher Bowron will head the long list of dignitaries on the special passenger excursion trip of the two-coach 1912 vintage train that will leave the Union Station in Los Angeles at 10:15 a.m. Saturday enroute to Hermosa Beach.

The occasion will be the highlight of the 40th Anniversary Celebration of the city of Hermosa Beach.

Upon their arrival in the South Bay the dignitaries will ride in a parade of more than 20 horseless carriages manufactured in 1912.

The spirit of "the good old days" will prevail in the beach community during the two-day celebration. To add the touch of realism, bars and restaurants will cooperate by offering merchandise at 1912 prices. Ham and eggs will be served for 25 cents one hour each morning in all cafes.

Card Party

The monthly card party will be held on Friday, October 10th, at the Parish Hall of St. Catherine Labourne' Parish, Redondo Blvd. E. of Prairie Ave. at 8:00 P.M. Mrs. Dale Sutton and her hostesses will provide a most pleasant evening of popular card games, with refreshments included in the admission price, club officers reveal.

Dr. Ellis Named College CD Head

With the past week being observed throughout the nation as Civil Defense Week, the reappointment of Dr. Sam R. Ellis, psychology instructor, as coordinator of the Disaster Relief Organization at El Camino College was announced by college officials.

In outlining Civil Defense plans for the coming year, Dr. Ellis said all employees of the college

Blood Drive Nets Only 191 Pints

Mrs. Virginia Jones, official of the Torrance Red Cross, announced today that Torrance fell short of their quota in a whole blood collection drive staged here last Monday.

"We had collected only 191 pints of blood, and had 30 rejections," she stated. "In our last blood drive in June, we collected 240 pints. It is very unfortunate that we failed to meet the quota, but we hope that the response will be better when the next blood drive is held in January," she said.

Fire Prevention Methods Shown At Navy Depot

A display of the methods of fire prevention used by the U. S. Navy will be demonstrated for two days at the Torrance Storage Area of the Navy Supply Depot today and tomorrow. It was announced today by Naval officials.

Chief B. B. McNally and Fire Inspector Louis Thayer, demonstrations of how to turn in a fire alarm, behavior of gasoline and its vapor, and dangers of overloading household and commercial electric lines will be conducted.

Two hundred employes at the storage area will witness the show, it was disclosed.
