

Paint Store . . . Name Class Officers at Torrance Hi

(Continued from Page 1)
 terior decorating and painting. Homeowners who have a decorating problem can find the solution at National, Mrs. Pagac stated.
 In addition to wallpaper and paint, the store also has a complete line of painting accessories, brushes, and drapery and upholstery fabrics. Another feature is National's custom-color paint mixing service.
 The National store was first opened here in 1939, making it the pioneer paint and wallpaper store in this city.
 Continual increase of business over the past years has made it necessary for National to undertake this expansion, it was reported.

Members of the Senior class at Torrance High School last week elected Ted Marcoux class president for the remainder of the school year.
 Also elected last week were the following Senior officers: Tom Smith, vice president; Charlene Grace, treasurer; Nancy Baird, secretary; and Karl Hakmiller, Boys' League representative.
 President of the Junior class is Jerry Farrar. Other officer named to this class is Sylvia Reed, treasurer. Run-off vote bill will be held today to elect other officers.

Flapjack Breakfast . . .

(Continued from Page 1)
 erta, executive secretary of the YMCA.
 Tri-Hi-Y members will serve breakfast beginning at 8:30 a.m. Music will be provided by the Torrance Area Youth Bands, and there will be a "Surprise" entertainment feature, according to Piomet.
 Invocation services will be held four times during the morning. Local religious leaders will conduct the services.
 Deadline for nominations for the Good Neighbor award has been set at Nov. 8, Stan Roberts reports.
 Letters to YMCA
 Letters of nomination may be sent to the YMCA, P. O. Box 33, Craven Ave.

Slate Test of Civil Defense Radio Gear

A functional test of the radio equipment available for civil defense activities here will be conducted next Sunday morning, Oct. 26, at 10 a.m., according to George Powell, assistant director of civil defense.
 Central radio at the fire station and two mobile units will be involved in the test. A simulated defense problem will be flashed over the air, and responses from the radio will be checked, Powell said.
 Lyle Farrell, communications service officer for regional CD, and local amateur radio operators, will be on hand to check results.
 Of the eight cities in this CD area, only Torrance has complete radio facilities, Powell stated.

Thurs., Oct. 23, 1952
