

Free Gifts Mark Market Town's Birthday Party

A big, free, gift award program will highlight the continued birthday celebration of Market Town Markets in Hawthorne and Gardena, this Saturday night, at Market Town Gardens.

The popular local markets are celebrating their sixth birthday with an entire month of grocery specials and gift awards.

Gifts Told
On the gift list to fortunate customers are a General Electric 21-in. Television set, an O'Keefe and Merritt range, three Roadmaster bicycles, two G. E. table model radios, ten coffee makers, two electric toasters and seven doll houses. The gifts will be given away at three consecutive Saturday night drawings, the first to be held this Saturday, Nov. 22, 7 p.m. at the Gardena store.

Free tickets for the drawings can be obtained at both Market Town Markets. Winners must be present at the drawing, however, tickets are absolutely free with nothing to buy in order to be eligible. Prizes at this Saturday drawing will be an O'Keefe & Merritt Range, Roadmaster bicycle, elec-

tric toaster, coffee makers and doll houses.

In a birthday statement Theodore Cummings, president of Cummings Markets Inc., which operates the Market Town chain said "We want to thank all of our friends for their many years of loyal support. The Hawthorne and Gardena Market Towns were the first stores in our present chain and we are especially happy to be able to celebrate another birthday with the citizens of the community."

Clyde Price, manager of Market Town, Hawthorne, 423 S. Hawthorne Blvd., and Curt Long, manager of Market Town Gardena, 15017 S. Crenshaw, are in charge of arrangements for the birthday celebration and the gift award program.

Walterian John Chiaudano Named To Church Board

John Chiaudano was appointed this week to serve on the building committee of the Walterian Community Methodist Church.

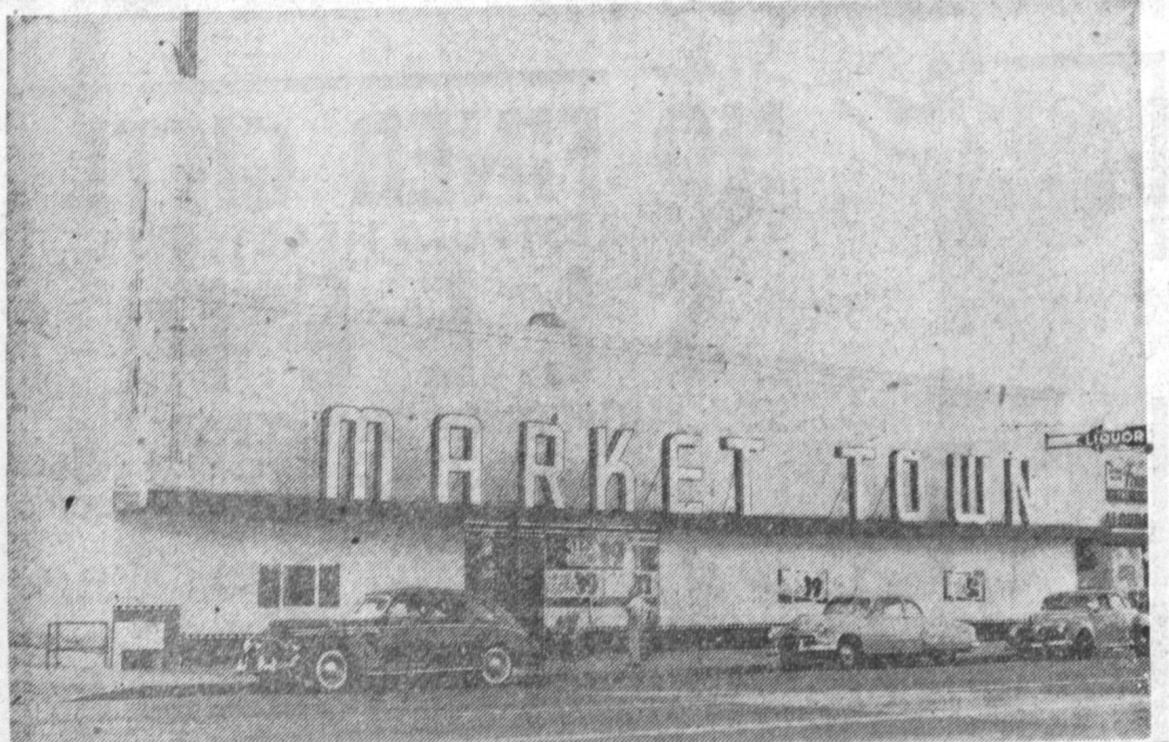

Officials of the church announced that the Methodist Conference and Board of Missions has donated \$18,700 to the church for the new church building, which is expected to be started shortly after Jan. 1. It was also revealed that the Board of Missions has granted a loan of \$15,000 to aid in the building program.

Preliminary sketches of the proposed church are in preparation now, and will be submitted to church officials soon, it was disclosed.

Annual Bird Show Slated

The Centinela Valley Roller Canary Club will hold their annual bird show, Nov. 18 thru 23, at the Pythian Hall, 617 W. Venice Blvd., Los Angeles, it was announced today by club officials.

This year marks the 17th song contest, and a large entry of birds from out of state and from the Hawaiian Islands is expected, it was reported.

JUST LIKE NEW—Completely remodeled inside and out is the big Market Town super market at Compton and Crenshaw. Upper photo shows how modern shadow box windows have replaced open type windows, thus affording much more display space within the store. At right is shown the beautiful fresh vegetable display behind which is a completely new deep frozen fruit and vegetable department. At left is shown the enlarged liquor department with Manager Barney Snitzer in foreground.

New Plymouth Displayed at 2 Local Agencies

Dick Barton's, 1885 Torrance Blvd., and Whittlesey Motors, 1600 Cabrillo ave., announce that the new 1953 Plymouth automobile will go on display at their agencies today.

The 1953 Plymouth is the most completely new Plymouth to be presented to the public in a quarter-century since the original

model rolled off the assembly line, Barton stated.

In conjunction with the unveiling of the new model, Barton and Whittlesey are participating in a nationwide "Meet the New 1953 Plymouth" contest.

Top prize in the competition is a new convertible club coupe. Five other Plymouths will be awarded

along with a host of other valuable prizes, it was announced.

Entry blanks for the contest may be obtained without obligation at either Barton's or Whittlesey Motors.
