SAVE TIME AND MONEY DOING ALL THESE JOBS

NEVER BEFORE HAVE WE OFFERED A GREATER VALUE

THIS IS IT! For fast, accurate, versatile performance, this big, new 8" TILT-ARBOR SAW is a mechanical marvel! Blade tilts to 45° cutting angle—you can mitre, bevel or saw any length wood at any angle, yet table and work are always level!

Does everything power saws costing up to 3 TIMES AS MUCH can do! Zips through 2 x 8's in 2 1/2 seconds. Cuts joists, siding, rafters, frames, joints, slots, etc. Cuts dadoes and moldings... will take any bench saw attachments. This terrific value will go fast—our quantities are limited!
