**The new Standard of the American Road**

With 41 "Worth More" features, it's worth more when you buy it...worth more when you sell it!

Search no more: the car that exceeds your every driving need is making its bow at your Ford Dealer's!

Those of you who have owned Fords in recent years have a hint of the many ways in which this new 1953 Ford sets an entirely new standard for the American Road.

In this new Ford you'll find a new Miracle Ride that sets a new standard of smooth, quiet comfort on level highways or roughest byways. You'll find the easy handlings and great visibility you need for today's fast-moving traffic... the "Go" to master today's long-distance driving. See this Ford... Value Check its 41 "Worth More" features... and Test Drive it. You'll see why this new standard-setting car is worth more when you buy it... worth more when you sell it.

**WORTH MORE** The early V-8 in its field

**CHOICE OF V-8 OR SIX ENGINES**—Ford's 110-h.p. high-compression Strato-Star V-8 has a partner for thrifty "Go" in the 101-h.p. low-friction, high-compression Mileage Maker Six—only modern Six in its field.

**WORTH MORE** New Miracle Ride brings you riding comfort at its level best! Not just softer springs and new shock absorber action, but a smoothly coordinated system of ride control elements that adjusts instantly and automatically to changing road conditions. It's a completely balanced ride... a ride that will give you an entirely new concept of driving comfort on level parkways or rough, rutted byways.

**WORTH MORE** Shift to Fordomatic... and you'll never shift again. It's the finest, most versatile automatic drive ever. Ford also offers the smooth, thrifty Overdrive.

**WORTH MORE** Key-Release Deck Lid opens automatically on counterbalancing hinges when you turn key. Note big trunk space! Ford's hood is counterbalanced, too!

**WORTH MORE** Full-Circle Visibility gives you an unobstructed view of the road... and all the scenery. I-REST tinted safety glass makes driving easier on your eyes.

**WORTH MORE** Center-Fill Fueling prevents hose marks on the finish of your car. No gas spill on fenders. Short gas filler pipe gives you trunk space for an extra suitcase.

**WORTH MORE** Power-Pivot Pedals, suspended from above, operate more easily, eliminate dusty, drafty floor holes, make foot space of the entire floor space.

**WORTH MORE** Automatic Power Pilot saves you money because it gives you high-compression "Go" with regular gas. An economy feature on both V-8 and Six.
