To All
Our Friends and Customers

With Christmas just around the corner, and everybody thinking of everybody else, we want to pause long enough to extend our heartiest wishes for a very Merry Christmas and a Happy New Year.

And we would feel that something had been left undone were we to overlook this opportunity of expressing our sincere thanks for the business you have given us. Your business and your friendship are very much appreciated, and we shall always strive to merit your continued goodwill and patronage. With the coming of the New Year we look forward to the pleasure of serving you often.

May this Holiday Season hold for you bountiful measures of Good Cheer and Happiness; may the New Year bring you all the good thing of life. That is our true wish for you.
