

Refuse Disposal . . .

(Continued from Page 1)

the gas burner, which costs only 30 cents per month to operate, requires no further adjustment. It is fully protected against ashes and refuse by an acid-resistant stainless steel shield.

Does Two Jobs

The Calcinator, Lawson points out, takes the place of both a garbage disposal and an incinerator. "It does away with both," he said. "No more carrying refuse to the backyard incinerator or emptying messy garbage cans. The Calcinator does both jobs, and does them thoroughly," he stated.

"We have subjected the Calcinator to extreme tests in our store. We placed sulfur, rubber fires, frozen foods, and old shoes in the unit, and the Calcinator completely destroyed all of them, without odor or smoke," Lawson reported.

Guaranteed by the world-famous Underwriters Laboratories, the Calcinator throws absolutely no heat, the outside of the unit never even gets warm.

No Breakdowns

Streamlined design with chromium trim on white enamel, the unit harmonizes completely with other kitchen equipment. Since there is no motor, in fact, no moving parts, there is no worry about the noiseless unit breaking down.

The Calcinator may be installed in kitchen, utility room, basement, or beside the home heating unit. Its compact cabinet is about the same height and depth as the average kitchen range.

Boys' Basketball League Forming

A Saturday basketball league for seventh and eighth grade boys with a C or D basketball rating is now being formed under the direction of Elmer "Red" Moon, recreation department's director of athletics.

Play is being held each Saturday from 10 a.m. to 4 p.m. in the girls' gym of the high school. All eligible boys are urged to contact either Moon or Coach Don Porter on Saturdays to join a team.

Adult Basketball League Opens Tournament Play

Torrance Recreation Department Adult Basketball League teams finish an eight week schedule of practice play this evening, Dec. 29, in the girls' gym at the Torrance High School. The Hot 'N' Tot Cafe meeting the National Supply at 6:45 p.m.; Allen's Burgers vs. Manhattan Beach All Stars at 7:45 p.m. and Treske's Men's Shop vs. George's at 8:45 p.m.

During the first round of tournament play all "B" League games will be played on Monday evenings in the girls' gym and the "A" League games will be held in the boys' gym on Wednesday, according to Elmer "Red" Moon, athletic director for the city and league organizer.

Moon also said that the early season practices has indicated that both leagues will be playing a

much smoother brand of ball this year than has been shown by the league teams in the past. The "A" League appears to be exceptionally fast with tall and talented players looming up on nearly all the teams. The "B" League teams seem to be more evenly matched than ever before and a wide open race is expected in this league. All basketball fans are urged to attend and bring their families and friends to

see all games which are free to the public, Moon stated. A fast card opens play in the "B" League Monday, Jan. 5, with Torrance Teachers vs. Allen's Burgers at 6:45 p.m.; Torrance National Bank vs. Treske's Men's Shop, 7:50 p.m.; and Harvey Machine vs. George's at 8:55 p.m. Fenwick's Shoes, last year's City champs, and the Manhattan Beach All Stars should put on a
