Expectant Mothers Complete Course; Get Certificates

They enjoyed it and learned a lot! That was the unanimous opinion of the eleven expectant mothers and two volunteers who last Thursday completed a nine weeks course of prenatal instruction at the County Health Department's Torrance Health Center.

Instructor Leona Brown Rowe, Public Health Nurse, presented the certificates to the thirteen graduates, all of whom were from Torrance and Redondo Beach. The class was sponsored by the Citizen's Advisory Committee of the health center.

The graduates were volunteers Mesdames Walt Jett and Milton Bailey, both from Redondo. Expectant mothers included Mesdames Joseph Carter, Robert F. Barry, and Thomas Norsworthy from Redondo Beach and Mesdames Bud Swan, William E. Davey, Donald H. McCollum, George Jacques, Dean Fisher, Del Monge, and Lucien H. Coy from Torrance.

HOME DECOR WINNER — Mrs. J. W.
