

Avalon-Sepulveda Recreation Council To Hold Meeting

The Avalon-Sepulveda Park Recreation Council will have its monthly meeting today Thursday, at 7:30 p.m. The meeting place will be The Lone Pine Inn. Every person interested in the activities that go on at the Park is invited to attend the meeting and consider himself a member of the Recreation Council. The officers

are Jack Henry, president, Miss Roberta Barron, vice president, Mrs. Frances Samelak, secretary and V. R. Allen, treasurer.

An attempt is being made to encourage more teenagers to show interest in the planning of a program for themselves. There's an encouraging note now that poles for lights over the basketball and volleyball courts are on the area. At this meeting plans for the Talent Show to be held August 23 will be completed.

Three out of four traffic accidents happen in clear weather on dry roads.

Chamber Sponsors Contest

One hundred dollars of the profits from the new Torrance Shoppers' Guide and Business Directory is to be used as prize money in an essay contest which will open as of this week with the release of the directory, according to Dale Isenberg, executive secretary of the Chamber of Commerce.

Open to Adults
The 50-word essay contest is open to all adults who must use for their theme the topic, "Why I use and like the Torrance Shoppers' Guide and Business Directory?"

A \$50 first prize, \$35 second

prize, and \$15 third prize will be awarded after the contest closes Sept. 1.

Free Guide
The guide, which has been delivered to 25,000 residents free of charge by bonded messenger, includes an application form for the contest as well as further details. This year 5,000 more residents received the guide than last year.

Isenberg stated that the new guide surpasses the previous edition in advertising and up-to-date statistics. It has a new street map including the new streets and tracts.

Entries in the essay contest will be judged by a committee consisting of the mayor, a minister, a school board member, and a member of the judicial staff of the South Bay Municipal Court.

The board of directors ruled that any other profit to be derived from the guide would be allocated
