Tell me how to generate enough heat to melt steel and generate steam without producing steam, smoke, or vapor . . . which is smog!

To my way of reasoning Industry is Business . . . that is, Industry means pay checks

Industry means pay checks which means more people to build towns and cities.

So all that you are trying to make a Garden of Eden might revert right back to sand hills and desert.

I for one really hope that the City Council will pass a law that will prevent all this, sad but true as it might be. But I am sure that what the time that
