What A Bargain!

1940 LaSalle Four-Door Sedan. All of our many years in this business we have tried to find that one car that was only driven to church and back once a week by an elderly school teacher. This one comes pretty close, judging by its appearance and mechanical perfection. Come and get it if you want several years of good transportation at a very low price.

Gyrol-Fluid Drive!

A 1949 Meadowbrook Four-Door Sedan. This famous Dodge Sedan has the Gyrol-Fluid Drive to make your start so smooth and handling in traffic so effortless. In checking this car when it came in to us we found that the future owner should have the best results if we gave the motor, transmission, brakes, etc., a complete overhaul. This was done and you can start out now with a car that's new in everything but age. Consistent with our policy, the price is below the market for a car like this.

What A Bargain!

This 1947 Hudson Super-Six Four-Door Sedan looks good, with its two-tone green finish, and very clean interior. It runs swell. We checked it from stem to stern. Everything that you would want in an automobile is here for you at a price so low we are ashamed to mention it for fear you would think it was a former Taxi or Police Car.

Pasadena Bargain!

This 1950 Dodge Coronet Four-Door Sedan was owned by a resident of Pasadena. He bought it from us new, and spent the day in Redondo once each month while the car was being serviced. We have a complete history of its very good mechanical condition besides an affidavit from its former owner as to the service he got from it. This car has been sheltered from the corroding influence of our salt air. It's right both in price and condition.
