YW Program In Germany To Be Topic

Members and friends of the Harbor District YWCA have been invited by the Los Angeles association to hear Fay Allen of the Foreign Division of the YWCA when she speaks on Monday, January 11, at 1 p.m. at the Wilshire Methodist church.

Reservations to attend the meeting must be made by calling the local YWCA before January 6.

"The Blue Triangle in the German Setting," will be discussed by Miss Allen who will bring first hand knowledge of the situation as she is on leave from her work in Germany. She is an American secretary loaned to the German YW to develop new types of programs to meet the needs of present-day Germany. Her assignment is working with a special project, namely, Neighborhood House in Berlin.

Previous to her work in Germany, Miss Allen was advisory secretary to the YWCA in Argentina. Before that she was a member of the staff of the student YWCA at UCLA.

SPECIAL CARE

Drive with special care during the Holiday Season, advises the National Automobile club. Remember that on the street or highway, a moment of carelessness can cause you a lifetime of regret.

EXTRA CAUTION

Visibility is very poor during early evening hours, points out the National Automobile club, and the wise pedestrian will use extra caution when crossing the street at that time.
