Church to Hold Services In New Building

Climaxing 32 years of worship in their church on Engracia avenue with the services held there this last Sunday, the members of the First Christian church of Torrance are making preparations to hold services this Sunday in their new Friendship Hall, 2930 El Dorado. The Rev. J. J. Walker will speak on "The Church of the Living God." Services will start at 10:50 a.m.

Volunteer Labor
Moving into the new building culminates a period of construction that started last August on the three acres of church property in West Torrance. More than 3500 hours of volunteer labor have been donated by the members as well as contributions from other members and friends.

In addition to the Friendship Hall, a new church school unit has been completed to accommodate the large enrollment in the children's departments.

Growth
The church has experienced considerable growth in the last six months under the pastorate of the Rev. J. J. Walker. Seventy new members have been received into the fellowship and eighteen of these have been baptized.

Supervised nursery care is provided for those desiring to bring their children. Sunday school convenes at 9:30 a.m. The public is cordially invited to attend this Sunday's services, according to the Rev. Walker.
