show your face?

new **TUSSY** "Medicare"  
anti-blemish set  
works wonders to help  
hide and heal blemishes!

At last! A really effective aid for problem skin: This two-way treatment works wonders!

• First, cleanse with medicated **TUSSY CREAMY MASQUE**. It cleans skin as no cream can. Actually, "washes away" excess oil and grime that so many blackheads, whiteheads and pimples of acne "feed" on. Does more than cleanse; it reduces harmful skin bacteria because it contains hexachlorophene!

• Next, apply **TUSSY MEDICATED LOTION**. Helps hide and dry up blemishes. Contains hexachlorophene to control bacteria. It's skin-colored; doesn't show on face under powder, so you can use it day and night.

If you've tried "everything," and could cry because nothing worked... you'll get new hope with this different approach! \*Externally caused
