Local Groups To Consider Com'ty Council

In an attempt to coordinate the efforts of the many groups, service clubs, and social clubs in this growing community, a meeting has been scheduled to discuss the formation of a Community Council in Torrance. The meeting will be held Tuesday, March 9, at 7:30 p.m. at the YMCA located at the corner of Arlington and Washington.

Leading citizens and representatives from various organizations have been contacted and indicated their interest. Groups and individuals interested in this project may get in touch with Mrs. Patricia Elliott, Mondays, Wednesdays, and Fridays at FA 8-7917.

Lawrence Lucke, of the Los Angeles Probation Department, and local field representative for the Community Coordinating Council, will discuss this project Tuesday night.

A group of fathers met recently at the Recreation office to discuss plans for such a league informally. Bessey hopes that interested clubs and organizations would send representatives to tonight's meeting.

This league, it was pointed out, would not overlap the activities of the Little League, since Little League covers a younger age category.

For further information interested parties may contact Howard Miller at FA 8-1301 or Bessey.
