Colquhoun-Strumpher In Double Ring Ceremony

Three Clubs To Sponsor Hobby Show

Three clubs are joining in the sponsorship of the annual Hobby, Arts, and Flower Show, to be held in the Civic Auditorium, May 21, 22, 23. This has been announced by their public chairmen: Mrs. Gerald Cunery, of the North Torrance Fuchsia Society; Mrs. Ed Karlo, of the Jayettes; and Mrs. Carl Hood, of the Torrance Terrace Garden Club.

Those wishing to make flower entries may contact Mrs. Virginia Moyan, ME. 4-2328, or Mrs. Maurice Shanahan, FA. 8-4353. For hobby and art entries, contact Mrs. Douglas Horlander, FR. 2-7231. The deadline for all entries is May 15. Floral arrangements, which do not have to consist of home-grown flowers, may be entered as late as Noon, May 21.

Entries may be sent from all communities in the South Bay area, according to the show chairmen, Mrs. Victor Benstead, Mrs. Joe Banks, and Mrs. J. R. Allison, of the Torrance Terrace Garden Club, Jayettes, and North Torrance Fuchsia Society, respectively.

Before the candlelight altar of the Episcopal Church of the Holy Faith of Inglewood, in the presence of intimate friends and relatives, Miss Gretchen Ann Colquhoun and Edward Strumpher knelt for the benediction of their marriage which took place recently. The Reverend Samuel R. D'Amico, rector, performed the double ring ceremony.

The bride is the daughter of Mrs. Dorothy Colquhoun of Lennox and the late Warren Colquhoun. The groom is the eldest son of Mr. and Mrs. Edward Strumpher of Torrance.

Bride's Gown
The young bride came down the aisle on the arm of her uncle, Herman Jensen, who gave her away. For her wedding gown, the bride chose an ivory white floor length brocade, made with fitted bodice, long tight sleeves, and scalloped stand-up collar outlining the nylon yoke. The short brush veil of bride's illusion was held in place by an orange-blossom headband. She carried a sheath bouquet of white carnations, white satin streamers, and a tiny white prayer book, gift of her cousin, Mrs. Waldo Hays. For her "something old" the bride wore an antique Norwegian gold brooch, family heirloom belonging to her maternal grandmother, Mrs. Caroline Jensen of Downey.

Ever see a penny* buy so much?

Community growth, such as that experienced in Torrance the past several years, is a wonderful thing—but it does have its problems, too.

One of our community's most pressing problems is that of providing our youngsters with adequate schools so they may learn to read and write... to become good Americans.

As a citizen of Torrance, we're concerned about the educational facilities available to the youngsters of our community, many of whom are children of our General Petroleum families.

After studying the School Bond Issue thoroughly, we're convinced that its passage at the polls next Tuesday is essential if Torrance is to overcome its school problem.

We think this issue is a good thing for our city and we support the Torrance Board of Education recommendation for a "Yes" vote.

* The proposed bond issue would increase the average home-owner's tax this year by about \$3.00—less than a penny a day.

Your Vote is Important...Vote "YES" for Schools next Tuesday!
