**CORRECT HEAT—every time**

Now the most convenient—most useful appliance ever invented. With the Sunbeam Automatic Frypan you can fry and cook at the correct, automatically controlled heat every time. It gives you perfect cooking and frying results without constant watching and guesswork. The shortening is always at just the right temperature, resulting in less grease absorption into the food. Chicken, pork chops, etc., are tastier, more flavorful with their natural juices sealed in. The Sunbeam's new square design lets you cook more in the same area than you can in a round pan. Plug into any outlet—use any place you wish. Has bakelite legs.
