TAC, Torrance Merchants Back Easter Baby Parade

The Torrance Adult Club and the Torrance Merchants announced this week that they would co-sponsor the Easter Baby Parade with the Torrance Recreation Department. The Torrance Adult Club, which has already made the money available to buy the Easter egg hunt prizes, is also going to furnish judges and leaders for the Baby Parade.

The Torrance Merchants have indicated that they will assist in the baby show by making a large number of prizes available to be presented to the winners of the show.

Gerber's Baby Food Company has already given baby food, baby kits, and silver spoons which will be awarded the day

of the contest and prizes from the merchants are coming in every day.

Divisions

The Easter Baby Parade will take place Easter Sunday afternoon at 2 p.m. on El Prado near Cravens avenue in downtown Torrance. There will be two general divisions for contestants: (1) Babies 23 months, 29 days old and younger (the Baby division), and one for boys and girls between the ages of 24 months and 48 months (the Tiny Tykes division).

Registration

Parents who pre-register their child for the parade at the Torrance Recreation Department offices beginning Monday, April 12. The address of the recreation office is 1347 El Prado, Torrance and the telephone number is FAirfax 8-4108.

Parents will be asked to furnish the following information: Parents' name and address, child's name, sex, birth date, and age on April 18, 1954.

Parents that pre-register their child will be given a number which will be used in the judging. Parents will be asked to remember that number when they come to the contest. Each child will be given a tag with its registration number on it the day of the contest.

Although registrations will be taken up until 2 p.m. on the day of the contest, parents are urged to register before the day of the event in order to speed up the judging that day. If the weather Easter Sunday is rainy or otherwise bad, the Easter Baby Parade will be held in the Torrance Civic Auditorium, right across the street from El Prado Park.

Baby Division

The Baby Division will consist of the following classifications: The youngest, the fattest, the most outstanding red hair, the most outstanding blue eyes, the longest eyelashes, the most outstanding dark eyes, the most outstanding tow head, and the most outstanding twins.
