## BOYS TO RUN FOR RIBBONS

Fleet-footed Torrance boys will have a chance to try for honors and ribbons when the Torrance Optimist Club holds their annual Elementary School Track Meet on Saturday at 9:30 a.m. at Torrance High School Field. Three running events, 100 yd. dash, 180 yd. dash and 440 yd. dash, and four field events, broad jump, high jump, shot put and football throw, will appear on the card, according to Optimist president Chris Sorensen. Three boys from each of 11 Torrance elementary schools will participate, with each contestant limited to two events. Competition will start promptly at 9:30, Sorensen said. Ribbon awarding ceremonies and a hot dog lunch will follow completion of the events. Optimists Ed Winkelbauer, Al Turner, Dave Figueredo and W. C. Weaver are in charge of lunch. The following Optimists are in charge of participants from the various schools: George Bradford, Greenwood; Seaside and Hollywood Riviera; Ralph Schmidt, Carr; Clyde Anderson, Nativity; Dr. Allen Pyeatt, Torrance Elementary; Christ Sorensen, Welteria; Dr. Jack Roberts, Madrona; Robert Evans, Wood; and Harold Trezise, Perry and North Torrance. Coach Cliff Greybehl will direct the track meet, Sorensen said.

Sharing the spotlight with the new brownies was Mrs. Leroy Alles, who was inducted into the group as chairman of the committee. The charter members of this girl scout group, as a troop project, made their troop flag. Each girl wrote her name on the material and it was then embroidered.

Announcement was made at a recent meeting of the YWCA that the phonograph fund had been completed. This fund had been started several years ago by the Debonaires Y-Teen club, with Shirley York, now Mrs. William Leetz, as their president. In addition to the money collected by this group as Y-teens and later as Young Adults, additional contributions were made by the Seaside Y-teens, the SSW Y-teens, and the Branch Committee.

## Brownies Invest New Members

The Vernon Bliss home, at 1225 Fonthill, was the setting for the investiture of four girls into Brownie Troop, 1730 on Saturday, April 12. Mrs. Bliss is the leader of the group and Mrs. Hugh Root is co-leader. At present the girls are not sponsored, but expect to be in the near future.

After the leaders presented the pins to the girls, they introduced them to the troop. The new members are Jane Allen, Judy Allen, Bonnie Burns, and Gretchen Staff.
