

On the west by that portion of the easterly line of Normandie avenue lying northerly of 223rd street and the southerly extension of said portion of the east-

erly line of Normandie avenue; Excepting therefrom Avalon Sepulveda and Harbor City Zoning Districts.

Proposed Zones

Ten types of zones have been tentatively proposed, namely: R-1 (single-family residence),

R-2 (two-family residence), R-3 (limited multiple residence), A-1 (light agriculture), A-2 (heavy agriculture), C-3 (unlimited commercial), C-4 (restricted commercial), M-1 (light manufacturing), M-2 (heavy manufacturing) and B-1 (buffer strip).

P-TA Group

The recent April meeting of the Halldale Avenue P-TA gave its members the opportunity to meet Councilman John Gibson, and hear his talk "How P-TA Can Better Help the Functioning of City Government."

EDITORIAL

(Continued from Page 1)

en across the way, be sure and lock the doors as many house prowlers find this to be a profitable time to engage in their nefarious activities.

This is an open invitation to any prowler to enter a garage and remove any article or articles that meet his approval at the time. A few minutes spent to secure the door of a garage will usually insure the owner of finding his belongings when he returns home from a few hours spent at a neighbor's or market.

When leaving for a vacation of a few days or two weeks' duration, be sure and inform your neighbor you will be away as well as notify your police department of your absence. Ask your neighbor to call the department if they hear or see anything unusual in or around your residence during your absence. Your police department will be more than glad to give your residence an extra check on their regular patrol in your neighborhood.

Notify your paper boy, your milkman, in fact any and all deliveries to your residence of your pending absence to insure you will not have an accumulation of papers and so forth on your front door step to advertise the fact you are not at home.

These are very elementary suggestions as far as police procedure is concerned, but if our citizens will follow them as far as possible to do so, it will insure them of doing all on their part possible to thwart a possible house prowler from entering their residence during their absence.

CLEAN-UP

(Continued from Page 1)

tional street broom and this situation should be straightened out by July," Perkins said.

In the meantime police announced that they will crack down on violators who have been dumping garbage along Torrance streets and highways. The dumping situation has been called a "disgrace" by City Manager George Stevens. Maximum fine for garbage violators is \$500 or six months in jail or both, Police Chief Willard H. Haslam said.

Call Police
"There is no reason for our people to throw garbage on the sides of the streets," City Manager George Stevens said. "We want to catch the ones who do. If anybody sees these violations, report the matter to the police at FA 8-3456. We have to get everybody to cooperate in such a drive. The best way to break this thing is to fine a few people and let the newspapers print their names."

The dumping situation has become so bad that Maple avenue had to be barricaded. It took 150 truck loads to clean up the street, Perkins

trucks to the Dr. Ross plant in Harbor City, where it would be processed for use as a filtering agent. He said precautions would be taken to guard against dust and noise at the proposed terraced diggings.

His application is to be the subject of a hearing before the commission at the Torrance City Hall at 7 p.m. on May 5.

Other bad spots are north Arlington and Crenshaw south of Carson.

"There is no reason why people should be throwing their garbage into the streets," Stevens maintained. "Nobody has a better collection service than Torrance. We collect all kinds of rubbish and garbage free of charge. There's no other city around us which does that."

Dumping Hours
Anyone forgetting to have the garbage and rubbish ready on the pick-up days can take the refuse to the Torrance city dump located on Madrona north of Torrance boulevard. It is open seven days a week as follows: Mondays through Fridays 7:30 a.m. to 5 p.m.; Saturdays and Sundays 7:30 a.m. to 4 p.m.

CANCER

(Continued from Page 1)

will cover the central and north Torrance area.

Contributions to the Chuck Smith Fund may also be mailed to chairman Jim Whitmer, Whitrow Cafe, Neece and Highway 101, Welteria or to the Torrance Police Station, Torrance. In charge of the police drive are Police Chief Willard H. Haslam and Sgt. John Maestri.

The police and businessmen's drive will run till May 15, Members of TAP's, Torrance

auxiliary police, will solicit donations in the downtown business district Friday evening between 7 p.m. and 9 p.m., Maestri said. They will be in full uniform and will carry identification which they will show upon request.

Canvassing

The Pacific Hills homeowners association has begun a block-to-block canvassing campaign to raise money for the Smiths. Others offering a helping hand include the WSCS of the Welteria Community Church, Millwrights' Union Local 1601 and employees of the Union Oil company machine shop.
