## Little League To Start Play

Torrance's Little League baseball season will open with a spectacular parade Saturday, May 15, according to Norm Hawkins, president of the Southern League.

There will be two leagues this year, a northern and a southern, Hawkins said, with four major league teams in each league. There will also be a minor league team in every major league team.

May 8 to 15 will be proclaimed Little League Week by Mayor Nicholas O. Drale, Hawkins said.

The Little League field, located on Highway 101 just east of Crenshaw will sport several new additions this year. A sprinkling system has been donated by Todd Shipyard. Golden State Creamery donated the score board. There will be a combination press box and concession stand.

Starting this Friday, boys will go around selling Little League decals in a fund-raising campaign.

Over 60 boys spent last Saturday cleaning up the ball park and getting it into shape for the coming games.
