**THE SECRET OF NAPOLEON'S "MENTAL CLOCK"**  
WORSHIPPERS OF NAPOLEON BONAPARTE PROCLAIMED THAT HE HAD THE ABILITY TO WAKE FROM SLEEP AT ANY PRE-DETERMINED HOUR. HOWEVER, AFTER HIS DEATH, IT WAS DISCOVERED THAT HE ACTUALLY DEPENDS UPON A GILDED BRONZE ALARM CLOCK TO WAKE HIM UP. THE CLOCK, KEPT SECRET DURING HIS LIFETIME, TURNED UP LONG AFTER NAPOLEON'S DEATH.

to all persons desiring to retain Governor Knight as a representative of all the people of California.  
Anyone interested in obtaining additional information, literature or enlisting for active service in the "Knight Is Right For California" campaign call FAirfax 8-1115.  
Armstrong reported that an intense effort will be made to inform the general public "as to the past performance record, character, and sincerity of Governor Knight to represent all the people of California for it is the Governor's belief that the essence of free government rests not in narrow partisanship, but in the selection of the best man for the widest public benefit."

Mrs. Grace Wright, Board of Education member, was the featured speaker when Walteria P-TA held its general meeting last Thursday, April 1, at 2 p.m.

a result of mounting medical expenses. They were on the verge of selling their home in order to meet their responsibilities.  
One of the groups which made a separate contribution to the family was the Pacific Hills homeowners association. The group presented the Smiths with a check for \$233.39 which they had collected.  
The police department and Walteria businessmen's drive was ended officially as of last night.

**Boys, Girls Help**  
Money was raised through the use of collection jars which were stationed in places of business all over the area. The TAP's and boy scout troops 780 of Hollywood Riviera and 240 of Walteria took up additional collection through house-to-house canvassing.  
Little Chucky has been taken to St. Mary's hospital in Long Beach where he will remain permanently now. He was said to be growing steadily worse and is being kept under sedatives.

among the winners, she will make TV appearances, attend luncheons, and travel to various cities for speaking and modeling engagements until the voting for "Miss Rheingold" starts in August.  
Since the candidate must be a registered model, the Carter School is offering Lucita a free modeling course which is the equivalent of a \$1000 course, according to Mrs. Katherine Coleman, local representative.

**Prizes**  
The girl chosen as "Miss Rheingold" will receive the richest prize in the modeling field, \$50,000. This is divided into a prize of \$20,000 and guarantee of modeling fees totaling \$30,000, tours in the United States, and a trip to Puerto Rico.  
Lucita, who is a Banning high school senior, has won the acclaim of many audiences in the Bay area through her artistic marimba playing and lovely stage presence. She received top honors in the California state marimba contest, California centennial marimba contest, and the Oakland contest.

Lucita is the daughter of Mr. and Mrs. Deckebach of 22522 South Catskill. She has a younger sister, Julia, who is also a marimba artist in her own right.  
Other local girls who applied for the Lewis Carter School sponsorship in this area are: Francis Palumbo, 23, 2830 Onrado, Torrance; Caroline Bodine, 21, 22616 Cross Hill, Torrance; Barbara Northcutt, 18, 2600 Cabrillo; Shirley White, 19, 2317 Sierra, Torrance; Mary Ann Zampiro, 21, 2423 243rd street, Lomita; Shirley Salzman, 19, 1639 West 205th street; Mary Lou Dougherty, 19; North Torrance.

ger and a four-fifth vote of the city council, according to James M. Hall.  
Smith and Dresser were found guilty of permitting violations of the building code. The charges resulted from asserted violations found in a Torrance housing tract.  
Dresser and his attorney both contend that the findings of guilty on some of the charges of alleged building code violations should be reviewed inasmuch as it appears that no violations existed.  
References was made to the charge that he allowed 12-inch foundations where it is contended that the footing should have been 18-inches deep.

**Mom Rescues Boy Buried In Sand-Bank**  
Paul Fink, 7, of 2924 Newton street survived a near-fatal "burial" when a sand bank caved in over his head Saturday.  
The boy had been digging in a gully which runs along the foot of the hill behind his home. He was tunneling into the sand bank when it caved in above him, burying him under several feet of sand for five minutes.  
While firemen and police raced to the scene, the mother of the boy frantically dug him loose with her hands.  
An inhalator squad arrived at the scene seconds later.  
The boy was bathed and put to bed apparently unharmed. He is the son of Mr. and Mrs. Henry Fink.

mistake. I would not want to go through the years again that we paid and suffered for it.  
I have a great deal to be thankful for to this country, being able to come over here and marry the man I love, to be treated as one of their own, and to have food and clothing again.  
But I don't want to just become an American citizen out of gratitude. I want to become one because I believe now in freedom of speech and of the press and the rights of the individual to choose the political party or religion to which he wishes to belong.  
America is my country now, I want to be part of it and help to preserve those rights that will always be precious to me.  
When I have the chance to visit my parents I want to be proud to be an American citizen and I will always be thankful for the opportunity to become one.  
It will be an unforgettable moment when I become a citizen and with God's help I want to be worthy of it.
