AMPRUF'S COLOR MAGIC INTERIOR WALL
FINISH HAS NO PAINT ODOR

New Synthetic Rubber Emulsion Wall Paint
Can Be Used All Year Round

You don't have to wait until
warm weather allows you to open
all your windows when you want
to paint your den, kitchen or
other rooms. Ampruf's sensational
new Color Magic can be used
anytime because it doesn't have
the strong odor ordinary oil base
paints contain.
Color Magic dries in twenty
minutes and is easy to clean.
Warm soap and water removes
fingermarks, food stains, practi-
cally anything—without leaving
rings or streaks. You don't need

turpentine to clean the paint
brush either. Mild soap and wa-
ter does the job perfectly.

One coat of Color Magic is all
you need to do a good decorat-
ing deed around your house, to-
day. This miracle household dec-
orator will add new sparkle and
smartness to your home—maintain
that "fresh painted" look, months
after the paint job!

Choose a color to suit your
home, from the vast selection of
13 soft pastel tones and 12 strong
deep shades.
