Trained in Government

You now have the opportunity to nominate an Assemblyman not obligated to any boss. He will devote all his time to your problems and reduction of your taxes.

Rawls is a U.S. Navy veteran with an AB degree from USC majoring in Political Science and Public Administration.

As your assemblyman in 1933-1934 during the depression, Rawls' moratorium bill saved thousands of homes from foreclosure.

Your U. S. Chief Justice Said:

"A periodic change in administrations is essential to the continued health of a representative form of government."
