## Court St. Catherine Installs Leaders During Ceremony

During impressive ceremonies in Nativity Hall last Monday night, Mrs. Frank A. Gately was installed as grand regent of Court St. Catherine of the Catholic Daughters of America.

Miss Helene Thompson, district deputy, also invested the following officers for the coming year: Mesdames Laurence Derouin, vice regent; William Hardesty, prophetess; Joseph Turkmany, financial secretary; Gerald Lowe, historian; Mrs. Ann McDonald as proxy for Mrs. Ray Rogers, Jr., treasurer; Frank Cavanaugh, monitor; Leroy Armstrong, sentinel; William J. Garrity, lecturer; and John V. Murray, organist.

Trustees appointed were Mrs. T. T. Babbitt who acted as proxy for Mrs. John Gitschier, past grand regent; Mrs. Noel G. Hayward, and Mrs. Thomas Moore.

Mrs. John F. MacNeil of Court Our Lady of Victory, acted as installing monitor. Installing organist was Mrs. Gertrude O'Neill of Court Angeles. Colors of the order, purple and gold, were used by the committee for the decor, the flower

arrangements sparked with white. Mesdames Thomas Fichter and Andrew Robel were chairman and co-chairman, and their committee members were Mesdames Laurence Jordan, Joseph Turkmany, Philip P. Halloran, and Joseph Lucas.

Gifts from the court were presented to the installing officers, and each officer and chairman of the outgoing panel received a token from their president, Mrs. Gitschier.

At the reception which followed, Mrs. Gately and Miss Thompson poured.

## O'Driscoll Receives Carnegie Tech Diploma

John James O'Driscoll, of 1027 Cota avenue, Torrance, graduates this month from the Carnegie Institute of Technology with a Master of Science degree in civil engineering.

## 'Doc' Goddard Celebrates 35 Years At GP

W. R. Goddard, assistant to manager of General Petroleum Corporation's Torrance refinery, was honored with a luncheon

Monday, June 14, at the Vista Del Mar restaurant in Redondo Beach, marking his 35th year of service with the company.

A. E. Thompson, manager of the refinery, was host for the luncheon attended by nearly 20 of Goddard's long time friends and relatives.

Something wonderful happens  
to your car the very first time  
you use New Mobilgas Special  
with Mobil Power Compound.

You get a smoother running engine  
that gives you up to 25% power  
boost  terrific knock-free  
acceleration at  
signals and in  
traffic  and  
mileage that you'll  
say is outstanding.

and here's why:

MOBIL POWER COMPOUND, the most powerful combination of chemical additives ever used in a gasoline, gives your engine new smoothness, increases mileage right now. It does this because it . . . checks wasteful pre-ignition ping . . . controls spark plug misfiring . . . combats traffic stalls, and reduces engine-formed gums.

TOP OCTANE REFINING gives you knock-free performance when you need it most—at signals, in traffic, on hills—plus faster warm-up and freedom from vapor lock.
