#### Heat's Nothing, It's Those Blasted Flies!

While everyone was moaning and groaning about the weather, Darrell Stegall, of 3742 West 176th complained of an additional hardship... flies. Stegall said that the flies were invading his home so thick and fast that he was practically overcome by them whenever he opened the door. Stegall said that he and other neighbors have been so harried by flies that the situation has become unbearable and he is seriously thinking about moving. "These aren't just ordinary flies," Stegall complained, "You can practically throw a saddle on them."

Top Community Chest leadership in the Harbor area representing the 3000 volunteers who will work the campaign this year, will decide for themselves what goal they will shoot for this fall, Harbor Area Chairman A. E. Thompson, said this week.

#### Oscar Maples Ford Agency Contest Winner

The Oscar Maples Ford Agency emerged as one of four top winners this week in the West Coast division of the national Ford car and truck sales contest.

The local dealer and his two sales managers received a free vacation trip each. Oscar Maples, who recently took over the former Schultz and Peckham Ford agency at 1420 Cawick trip to Bermuda while Vel Miletich, new car sales manager, and Byron Harry, used car sales manager, received a two-week vacation to Mexico, all expenses paid.

The agency won first place in its class in the two-months as sales quota in the "National Tournament of Selling Car Champions."

Since taking over the dealership of the Ford agency six months ago, the sales capacity of the local Ford agency has increased five times, according to Maples.

Four winners were named in the West Coast District, which covers Nevada, Arizona, New Mexico and California. The contest was based on sales during the past two months as compared with sales during the previous half year.
