Painting Stucco

Answers to questions
about Nalcrete

Q. What new develop-
ment has revolutionized
the painting of stucco
homes?

A. "Dutch Boy's" amaz-
ing new polymer paint, Nal-
crete.

Q. How does Nalcrete
differ from ordinary
paints when first applied?

A. Ordinary stucco paint
often looks blotchy at first
then "weathers" out to a
uniform color. But Nalcrete
gives a beautiful, uniform
color the instant it is dry.

Q. What happens as
Nalcrete "ages"?

A. Nalcrete holds its color
without fading; washes
sparkling clean in hard rains,
leaves no dirty streaks. It
defies sun, storm and fog,
and, most important, it does
not react with the alkali
present in most masonry
surfaces.

Q. Is Nalcrete available
in colors as well as white?

A. Yes... in a wide range
of colors from the "Dutch
Boy" Color Gallery, plus
easy intermixes.

AID TO YOUTH STRESSED BY COORDINATING COUNCIL

Teen-age recreation and membership in the Harbor
Area Welfare Council were the main items on the agenda
when the Torrance Coordinating Council convened at
Greenwood school last week.

Mrs. H. E. Carr, youth activi-
ties chairman, announced the
election of Sherwood Tiernan as
chairman of the youth commit-
tee, and Peggy Wood as secre-
tary of the group, whose aims
are to improve teen-age recrea-
tion facilities.

Mrs. Carr recommended and
the board agreed to support the
youth coordinating council com-
posed of representatives from
all organized youth groups in
the community as outlined by
Tiernan.

There will be a three day con-
ference of Southern California
youth associations held at Idyl-
wild from July 30 through
August 1 for the purpose of
solving teen-age recreation
problems. Interested youths
and adults from Torrance are
planning to attend.

Joe P. Maldonado, executive
secretary of the Harbor Area
Welfare Council, to which the
Torrance council voted to send
a representative, gave a report
on the functions of the welfare
council.

Mrs. Herma Tillim, chairman
for Jobs for Juniors, stated that
the organization is in need of
both funds and jobs, especially
jobs for boys.

The next meeting of the coun-
cil is slated for August 17 at
7:30 p.m. in Room 10 at Green-
wood school.

REGISTRATION DAYS SET BY EL CAMINO

Torrance students wishing to
enroll at El Camino College for
the fall term may make ap-
pointments now, according to
Merl F. Sloan, director of stu-
dent personnel.

Registration will be made by
counselor interviews. Appoint-
ments to meet counselors may
be made from 8 a.m. to 8 p.m.
daily by telephoning the college
counseling office. The coun-
selors will be available for
daily consultation from August
4 through September 8, but
appointments should be made well
in advance, the director empha-
sized.

Students who have already
planned their programs with
college staff members last
spring need not phone for ap-
pointments, as they will be no-
tified of their appointment
dates by mail.

Those enrolling for less than
10 units need make no appoint-
ments, but may register at any
time during the registration
period from 8 a.m. until 8 p.m.
