

Hamburger Fry Forthcoming For Boy Scout Troop

The boys of Troop 315 recently returned from their 5-day, 65-mile "Silver Moccasins Hike" in the Angeles National Forest.

Officers elected for the coming year are: Mesdames Alta Rains, president; Dorothy Edwards, vice-president; Ellen Gyan, secretary; Alta Eber-sole, treasurer; Alice Walters, publicity chairman, and Ann Cook, ways and means chair-
man.

Baker's Furniture Opens New Appliance Department

Baker's Furniture Store, well known to Torrance residents at the location they have occupied for the past six years on Cravens avenue across from the City Hall, is expanding along with the city of Torrance. This week they opened their new TV and appliance department around the corner at 1344 El Prado, in the building formerly occupied by the Flamingo Florists.

According to Sidney Baker and Maurice Hattem, owners, the same liberal budget terms and trade-in allowances will be available to customers in the new unit. Additional ease and convenience in shopping will be afforded inasmuch as the customers may select their appliances in a special department with the assistance of an expert, and combine those pur-

chases with furniture from the other store, thus greatly facilitating budgeting also.

Complete line of well known name brands in television such as RCA, Crosley, Philco, Admiral, and GE, are stocked along with popular ranges such as Roper, Western Holly, and Gafers. Sattler, Frigidaire, GM, Crosley, and Blackstone, are the popular refrigerators available in the new unit, which will also have its own service department.
