REV. WALKER FETED UPON RETIREMENT

A potluck dinner was held last Thursday evening in the newly completed social hall of the First Christian Church, 2930 Eldorado street. The dinner was held in honor of Rev. and Mrs. Walker, who are leaving next week upon the incidence of Rev. Walker's retirement.

Although Rev. Walker had retired prior to his coming to the new church a year ago, church members are high in their praise of his hard work and enthusiasm in building both the church and its membership. Church sources revealed this week that he has brought into the membership 160 new members.

In addition to the social hall,

half of several new educational units have been completed, and plans are ready for the building of a sanctuary and a small chapel on the Eldorado street property.

This Sunday Rev. Walker will deliver his last sermon at the church. On September 19 his successor, Rev. Harry Milton Sippel, will take over the duties as pastor.

Painting Stucco

Answers to questions about Nalcrete

Q. What new development has revolutionized the painting of stucco homes?

A. "Dutch Boy's" amazing new polymer paint, Nalcrete.

Q. How does Nalcrete differ from ordinary paints when first applied?

A. Ordinary stucco paint often looks blotchy at first then "weathers" out to a uniform color. But Nalcrete gives a beautiful, uniform color the instant it is dry.

Q. What happens as Nalcrete "ages"?

A. Nalcrete holds its color without fading; washes sparkling clean in hard rains, leaves no dirty streaks. It defies sun, storm and fog, and, most important, it does not react with the alkali present in most masonry surfaces.

Q. Is Nalcrete available in colors as well as white?

A. Yes. . . in a wide range of colors from the "Dutch Boy" Color Gallery, plus easy intermixes.
