## LECTURER SPEAKS ON PURE CHRISTIANITY

At a public lecture last Thursday, Torrance residents heard Florence Middaugh, C.S.B. of Los Angeles, speak on "Christian Science: The Science of Pure Christianity." The lecture was held in the civic auditorium.

The lecturer spoke in part as follows:

"Is there a way out of the darkness of human thinking? Is there a plan upon which all men can agree that will bring about enduring peace, harmony, and universal brotherhood? These are grave questions facing mankind today, but Christian Science answers them with perfect assurance and confidence to the satisfaction of all

who turn to its teachings for light and guidance.

**World Needs Healing**  
"That the world today is in great need of healing from the mesmerism of evil beliefs is beyond doubt. Mankind is seeking release from sickness, sorrow, loss, discontent and woe. It may startle the world to know that the perfect plan for its redemption and healing was presented centuries ago and is available here and now. It is stated in simple Biblical terms, 'Thou shalt have none other gods before me' (Deut. 5:7).
