

Torrance Theater Guild Newly Organized Here

The City of Torrance will now have its own community play-ers with the formation of the Torrance Theater Guild. People with acting experience and all would-be Thespians will get an opportunity to take part in Broadway productions which will be staged right here at the Civic Auditorium.

These productions will be under the direction of Louis Bereskin, of the Torrance High School, who has had considerable dramatic experience as actor and director both in Canada and the United States. Adults (18 and over) who are interested in joining this group of actors should register at the Torrance Recreation Department or phone FAirfax 8-4108. Readings will begin in the near future, as soon as the registration is completed.

Temple Menorah is having a potluck dinner Sunday, October 10, at 112½ No. Catalina, Redondo Beach, from 5:30 p.m. on. A social evening will follow. Information may be had by calling Mrs. Ben Kaufman, FR. 4-5995.

A DRAMATIC SCENE from "The Robe," first production in revolutionary cinemascope, which plays Sunday, Monday and Tuesday at the Stadium Theatre. First cinemascope to play the local theatre is "The High And The Mighty" showing currently.

KING GROUP ORGANIZES

Formation of a Citizens Committee to work for the re-election of Congressman Cecil R. King in the 17th District was announced today by Robert Chambers, a prominent Manhattan Beach businessman and scion of a pioneer Los Angeles family.

Pointing to King's record achieved over a period of 12 years in the House of Representatives, Chambers said: "Both Republicans and Democrats in our area are proud that King, who has earned the title of California's most distinguished congressman, represents the 17th District."

KALASH VITAMINS

805 Pacific Coast Highway

Hermosa FR. 4-8242

CALCIUM

and Phosphorous
with Vitamin D

Calcium is probably the most important mineral of the body. Kalash BO-CAL is a natural source of organic calcium, phosphorous and non-essential associated minerals as naturally occur in beef bone, plus 200 USP Units of vitamin D per tablet.
