## Student Opinions Differ On Half-Day Sessions

Torrance High School is on half-day sessions for the first time this year. Some students attend school in the morning, some in the afternoon. How do they feel about it.

The Torrance Press made a survey this week and this is what we found out:

**JIM SCHMIDT, 1918 Cabrillo:** (Junior morning session). I like it a lot better—get to do a lot more things in the afternoon.

**DAVID RHONE, 1019 Beech:** (Junior, morning session). I like going to school earlier, otherwise the day is ruined—but I can't take some of the courses I want. Would rather have regular schedule.

**PAUL SHINODA, 2716 Torrance:** (Senior, morning session). Don't like it too much. Don't see everyone. It's hard on student government.

**LINDA LANE, 1531 El Prado:** (Junior afternoon session). Don't particularly care for it. Can't take enough subjects—I'm there to learn something.

**KATHY CURTISS, 1321 Engracia:** (Junior, afternoon session). Don't like it. Get out of school too late.

**JOE COMPANIZZI, 17036 S. Atkinson:** (Junior, morning session). I like it.... plenty of time in the afternoon.

**SANDRA GISH, 815 Amapola:** (Senior,

morning session). Love it! Offers a chance to work part-time. Leisure time? Spare time is no problem for busy people.

**LARRY STAMPER, 1011 Arlington:** (Senior, morning session). More homework but more time in the afternoon. However, we don't have the activities that we had before.

**JOHN SHERFEY, 1404 Engracia:** (Junior, morning session). Mixed feelings. Has both good and bad sides.

**JIM DONETTE, 804 Portola:** (Senior, morning session). It's about the same as far as classes go, but social activities have been cut down a lot.

**TOM QUAGGIN, 1609 Amapola:** (Sophomore, afternoon session). I'd rather go full time to earn more credits.

**ELIZABETH HEDGECOCK, 1714 Arlington:** (Junior, afternoon session). Really don't like it. I go in the afternoon and get home too late—after 5 p.m.

## Local Elks Gaining In Memberships

The current membership drive of the Torrance Elks is gaining momentum, with over 100 new applicants for charter memberships having been received, according to lodge sources.

The Torrance B.P.O.E. meets every Wednesday evening at 8 p.m. in the Alan Richards Hall, 1951 Carson street. At a recent meeting it was disclosed that the lodge is planning a dance on October 30, and also that a bowling team has been formed. Members and prospective members are urged to bowl every Monday night, or just come out as spectators.

## RUMMAGE SALE

The Woman's Club will hold a rummage sale next Tuesday, October 19, from 9 a.m. to 5 p.m. in the clubhouse at 1422 Engracia avenue.

**HENRY W. CREEGER**, of American Standard was made general chairman this week of the Torrance Memorial Hospital building fund campaign. Plans are being readied now for a fund-raising kick-off drive.

Doug Skaags is catcher on the softball team at Waverly Park. The team belongs to the Junior Boys Softball League sponsored by the Torrance Recreation Department.

"Underwater ear" spots telephone cables fast. Using a special underwater sound detector, telephone trouble shooters can quickly find cables lying on the bottom of the bays and rivers of the Pacific West—even cables buried deep in silt. This means cables can be raised, when necessary, in much less time than if we had to grapple for them "blindly" or a diver had to wander about looking for them. And, of course, time saved is also money saved. Thus, the "ear" is helping us bring you good service at low cost. Pacific Telephone works to make your telephone a bigger value every day.
