Jaycees To Export Food Seeds

"Seeds of Democracy" ... a Junior Chamber of Commerce program headed by Vern Lovelady and Doug Horlander, is just what the name implies. The Jaycees are collecting vegetable garden seeds for export to the Philippine Islands, and, starting this year, to India.

The importance of sending these seeds lies in the fact that the vegetables growing in these countries do not reproduce due to climatic or soil conditions. It is therefore necessary for the people to import seeds every season for their crops.

Through the cooperation of large seed manufacturers, the Jaycees have been sending the seeds to the San Francisco office of "Seeds for Democracy" for transshipment to the islands at scheduled planting times. This year the seeds will also be sent to India, just beginning to enter the program.

Anyone having large amounts of seeds on hand may contact Vern Lovelady at FA 8-4274.

GP CHARITY CHAIRMEN APPOINTED

A. Bernabe, 3420 West 189th street, and J. A. Wardwell, 21121 Denker avenue, both of Torrance, have been named to the executive committee of the combined charity drive for the General Petroleum Corporation.

They will serve as group chairmen on the committee for the employees' "Give Once" plan of combined giving.

The committee hopes to top last year's record when General Petroleum employees in Southern California gave \$54,425 to 35 different charities of their individual choice.

Both men are employees of General Petroleum's Engineering department at Torrance. Bernabe is a boilermaker and Wardwell a pipefitter leadman.

Coast Guard Appointment Now Open

Congressman Cecil R. King announced today that competitive examinations for appointments to cadetship in the United States Coast Guard Academy will be held on February 28 and March 1, 1955.

The veteran Seventeenth District legislator emphasized the opportunity offered young men who choose this four-year course which leads to a bachelor of science degree in engineering and a commission as a career officer in America's oldest sea-going service.

"I urge all qualified young men who are interested in a worthwhile profession to write my office for a copy of the booklet, 'Your Career for Tomorrow,' which contains complete information on admission requirements," Congressman King said.

Candidates for appointment in 1955 must be single, must be between 17 and 21 years of age, a high school graduate, and must be in excellent physical condition.

The Coast Guard Academy is located at New London, Connecticut.
